

# Thinking about Social Enterprise?

Join us for a one-day workshop in your area.

» Wondering if social enterprise can help to **advance your mission**?

» Trying to **create training or employment opportunities**?

» Looking for ways to **diversify your revenue** sources?

» Striving to **address a decline** in local services?

» Wondering how to **improve the performance** of a social enterprise you already run?

» **Planning to apply to enp** for a social enterprise development grant?

The *enp* **Orientation Session** covers the definition and reasons for starting a social enterprise as well as Demonstrating Value and the social enterprise development path. There will be a review of the *enp* grant requirements and priorities, and the session will qualify participating organizations to apply for *enp* funding. The Orientation is intended for staff, board and volunteers of organizations that are considering launching, expanding, strengthening, or are new to social enterprise.

Workshop includes a light breakfast, full lunch, and a copy of the Canadian Social Enterprise Guide. See our website for complete details.

Port Alberni October 26  
 Victoria\* November 3
